

Useful Info About Our Takeaways

- The menu published on our website will be accurate at the start of each shift. We will update the online ordering app if/when any ingredient or dish runs out. In the event that you order a dish that turns out to be missing an ingredient we will substitute the ingredient for something else appropriate. If we have run out of a dish after its been ordered and paid for we will call you to arrange an alternative.
- The easiest way to order is by clicking on Order Online where you can easily select your dishes and pay. There is a messaging option at the end where you can request any changes that weren't options when you selected your dish. When we receive your online order we will accept it and give you an estimated collection or delivery time. We are normally +-15 minutes accurate but at very busy times could be +-30 minutes.
- We do not take pre-orders or offer specific delivery/collection slots. Your order will be processed as soon as it's received. 6-7pm is usually the busiest time for orders and thus the slowest for deliveries.
- Orders can take anything from 30 mins to 90 mins depending on volume.
- We have increased our delivery charges to encourage collection.
- Deliveries of all values are free in the village (approx. 1 mile). Our outer delivery area is approximately 6 road miles and we charge £2.50 for orders over £30 and £5.00 for orders under £30.
- Please give clear delivery instructions and help us to find you. If your house has no visible name we probably won't find it!
- When you arrive you can call us (if you can get through) and wait in your car, pick up from the collection point or pop inside to tell us you've arrived (please wear a mask).
- Certain dishes or components that would normally be eaten hot will be served cold. This is usually because the item loses heat so quickly that you will need to reheat it before consuming. Examples are puddings, sauces, gravy/jus, side vegetables, crushed peas. Careful microwaving is the best way to reheat. If you intend to eat your order away from home please notify us so we can serve everything ready-to-eat.
- Date night will now be served ready to eat
- We no longer take pre-orders for Sunday roasts. Order online or call us from 12-8pm every Sunday. We now offer our full menu on Sunday as well.
