

Sunday Roasts

HOW TO ORDER

Our roasts are available from 12pm - 7pm every Sunday and can be pre-ordered from 11.30am

Available on a first come first served basis although we have an abundance of supplies

While each roast is packed hot* you may find elements need reheating to be at their best

*We deliberately serve the steamed vegetables and gravy cold because they lose their heat so quickly

Orders will take approximately 30-60 minutes from point of purchase
